

# Zeebop Easy Returns Form

Here at Zeebop we want to make it easy to return any item you purchase from us. We offer a full refund on the purchase price of any item you buy from us. We do not offer refunds on shipping and handling. If your original purchase qualified for free shipping and the return would make your order ineligible for free shipping you will receive a refund for the original purchase price minus the original cost of shipping your order.

## How to make a return
